

## South Central Builders Association

[www.LocalHBA.com](http://www.LocalHBA.com)

Thank you for your interest in becoming a member of the South Central Builders Association. As a member, you have **DIRECT** access to the most powerful, successful and influential business people in the area.

We represent many builders and associate members who find our networking opportunities unique and very much worthwhile. Opportunities that membership of the SCBA can open up for you include:

- A respected professional membership that gives your clients peace of mind in choosing you for their projects.
- Access to discounts and promotions only available to members.
- Listing on the LocalHBA.com online membership directory.
- An opportunity to network and socialize with your peers and clients at our popular and well-attended social events.
- Educational opportunities you need to easily maintain your contractor's and subcontractor's licenses as well as classes that keep you up to date on changes in regulatory requirements, and keep you abreast of the latest technical advances in your industry.
- The chance to reduce your worker's compensation costs.
- Sample contracts, performance guidelines and other publications only available to members.

Once you join the South Central Builders Association, you also become a member of the Builders Association of MN (BAMN.org) and the National Association of Home Builders (NAHB.org).

**We want you to join the South Central Builders Association!** We need builders and associates to make this a successful association. **Joining the South Central Builders Association is a great way to create new contacts and leads, network with others in the industry, and keep a strong voice for the building industry.**

Sincerely,

Gary Jones  
Executive Officer  
South Central Builders Association

## Code of Ethics

I pledge to:

**CONDUCT** our business operations ethically and in a manner that will reflect credit upon ourselves, the SCBA and the construction industry, and our community.

**COMPLY** both in spirit and letter with the rules and regulations prescribed by law and government agencies for the health, safety and welfare of the community.

**DESCRIBE** accurately and honestly the price, materials, schedules, and standards, of workmanship used in our job.

**USE** only materials and products equal to, or exceeding, the quality of those specified in the contract, plans and specifications.

**ENCOURAGE** in every way possible our employees in becoming more competent craftsmen in the industry and to secure for them steady employment, proper working conditions and remuneration consistent with the earnings of the industry.

**REALIZE** that our competitors are, like ourselves, business people ambitious to succeed, and pledge to conduct our business in an ethical manner based on fair business practices.

**COOPERATE** with the South Central Builders Association in responding to and resolving complaints registered against my company.

I understand that my membership application is not complete until I sign and complete the Code of Ethics.
